SUBJECT: Mandatory Continuing Education

Dear associated

Continuing Education requirements are mandatory for all our associated. All our MCE courses are available online.

The goal of Iamsa's continuing education program is to equip credential holders with the knowledge and skills necessary to complete in a world of ever changing information and technology.

We provide certification programs to ensure the competency of our HSEQ auditors and marine surveyors in the following topics:

ISM, ISPS, MLC & Cyber Security Refresh Training

The main contents of the course are:

- ISM Code (2018) and IMO Circular MSC – MEPC.7 Circ. 6
- ISPS Code base on model course 3.20 & 3.19
- MLC 2006 & STCW 2010
- Cyber Security in connection with ISM – ISPS – STCW 2010
- Resulting requirements for the Company’s Safety and Security Management System as applicable.

Distance learning activities (i.e., those that are delivered remotely, with the participant in a different physical location from the instructor), the sponsor must use an approved tracking method to verify completion of at least 85 percent of the approved activity. Approved verification methods include:

- Mandatory quizzes or content summaries at the completion of the activity
- Minute-by-minute tracking of how long the attendee participated in the activity (Moodle LMS).
